APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use and manner of use of the waters of an underground source as heretofore granted under Permit No. 12743, is issued subject to the terms and conditions imposed in said Permit No. 12743 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 1.5 cubic feet per second, or 85.6 acre-feet per annum.

Actual construction work shall begin on or before July 3, 1962

Proof of commencement of work shall be filed before August 3, 1962

Work must be prosecuted with reasonable diligence and be completed on or before July 3, 1963

Proof of completion of work shall be filed before August 3, 1963

Application of water to beneficial use shall be made on or before July 3, 1966

Proof of the application of water to beneficial use shall be filed on or before August 3, 1966

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed JUN 19 1962

Completion of work filed JAN 4 1963

Proof of beneficial use filed SEP 23 1965

Cultural map filed

Certificate No. 5737 Issued Nov 15 1965
